Please contact 602-629-4826/4834 for consideration. Faxed applications will not be accepted.

AREA OF CONSIDERATION:

This position is in the Federal/Excepted Civil Service and is **open to current members in the Arizona Air National Guard.** Individual selected will receive a **Permanent Appointment** after successful completion of a one year trial period. Acceptance of a Federal Excepted technician position of over 179 days in length will cause termination from the Selected Reserve Incentive Program (BONUS). Individual selected will require a military medical records screening if applicable, to be completed prior to appointment, and/or may be required to take a pre-employment medical screening examination dependent on the position type and military medical records screening results.

INSTRUCTIONS FOR APPLYING: Individuals applying for vacancies with the Arizona National Guard may submit Optional Form 612 (Optional Application for Federal Employment), or a Resume. Application documents must contain the Announcement Number, Title and Grade(s) of the job being applied for. Personal information must include full name and address (including ZIP Code), Day and evening phone numbers (with area code). Work experience information should be limited to either paid or nonpaid experience directly related to the position that the individual is applying for and must include: Job Title, Duties and accomplishments, Employers name and address, Supervisors name and phone number, starting and ending dates, hours per week and salary.

Applicants **MUST** submit a completed AZNG Form 335-2-R (Knowledge, Skill and Ability Supplement) or a separate document explaining how they meet each Knowledge, Skill and Ability listed below and a Resume or the Optional Form 612. Applicant **MUST** submit complete RIP and/or other documentation to verify possession of AFSC.

EVALUATION PROCESS: Each applicant must **FULLY SUBSTANTIATE** on their application how they meet the requirements listed in the specialized experience area; otherwise applicant will be considered unqualified for this position. Applications will be evaluated solely on information supplied in the application (OF 612) or resume. Experience will be evaluated based on relevance to the position for which application is being made. Include job titles, starting and ending

dates (month and year), hours per week, salary, duties/accomplishments, employer(s) name and address, and supervisor(s) name/phone number and permission to contact.

CONDITION OF EMPLOYMENT: Prior to appointment into this position, selectee must be a current member of the Arizona Air National Guard, in a military position assigned to 161st ARW and must possess the following AFSC : 2A7X2

- Federal employment suitability as determined by a background investigator.
- May be required to successfully complete a probationary period.
- Participation in the Direct Deposit/Electronic Funds Transfer Program.
- Military Uniform must be worn.
- Applicants must maintain membership and employment in the National Guard in the military grade listed in this announcement.

EQUAL OPPORTUNITY: The Arizona National Guard is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, age, national origin, sex, political affiliation, marital status, membership or nonmembership in an employee organization or any other non-merit factor.

Relocation Incentive may be offered:	YES <input type="checkbox"/>	NO <input checked="" type="checkbox"/>
PCS may be offered:	YES <input type="checkbox"/>	NO <input checked="" type="checkbox"/>

NOTES:

Note: This position is subject to rotating shifts, night shifts, and weekends/holidays.

Note: Open to current E-5/SSgt or below, unless currently placed in higher grade on current NDI manning document.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED FOR SUCCESSFUL PERFORMANCE IN THIS POSITION:

Each applicant should fully justify on their application how they meet each KSA listed below using AZNG Form 335-2-R to reference the justification.

1. Knowledge of the full range of characteristics of metals identification; wear metals identification and content; metal discontinuity and flaw detection; operation and maintenance of nondestructive test and oil analysis equipment; radiological safety and radiation monitoring procedures; technical orders and directives; and proper handling, use, and disposal of hazardous waste and materials.
2. Knowledge of the various shapes, sizes, and density of flaw indications in parts, components, and materials being tested.
3. Knowledge of safety regulations and procedures.
4. Ability to identify, locate, and measure hidden and subsurface flaws, corrosion, and separation in bonded and honeycomb structures; integrity of welds; precision dimensional and volume measurements; and hardness of materials.
5. Ability to follow technical orders engineering drawings, technical data, workbooks, and NDI literature to determine inspection requirements and area(s) to be examined.

SPECIALIZED EXPERIENCE: Must possess at least **12** months of experience or training in using ultrasonic and/or eddy current inspection techniques to observe, measure, and detect discontinuities and flaws. Experience classifying test results, identifying material deficiencies and recommending courses of action for items of equipment. Experience recommending engine components to be inspected and forwarding results to the appropriate authority. Experience performing scheduled inspections of testing equipment ensuring compliance with established technical regulations and procedures.

BRIEF JOB DESCRIPTION: This position is located at the 161st Air Refueling Wing, Phoenix, Arizona. This is an Air National Guard (ANG) Dual Status Technician position requiring military membership, compatible military skill assignment, and classification. The primary purpose of this position is to inspect aerospace weapon systems components and support equipment for structural integrity using nondestructive inspection methods and performs fluid analysis. Determines test method, and prepares fluids and parts for nondestructive inspection. Performs nondestructive inspection on structures, components, and systems. Applies magnetic particle and/or liquid penetrant inspection to detect and interpret the relevancy of flaws in a variety of parts. Uses and maintains tools. Utilizes safety practices and procedures

following established safety rules and regulations to maintain a safe and clean work environment. Maintains records and documents actions. Performs other duties as assigned.

SELECTING OFFICIAL: SMSgt Michael Omerod
